SAYLA is a fantastic organization that enables young lawyers to meet other young lawyers from all areas of the law. Few other organizations have such a diverse community. As such, I would be thrilled to serve as the social director for SAYLA to help this wonderful organization continue to service the young lawyer community.

At this point, please feel free to add a picture of yourself, as well as a brief description of why you should be elected to this position on the SAYLA Board of Directors. Return this form and The Supervisor Permission Form
