

- **Name:** Kennedy Hatfield Asel
- **Employer:** Ford Murray, PLLC
- **Brief description of practice:** Commercial Litigation and Employment Law
- **Law School / Undergrad:** St. Mary's University School of Law/University of the Incarnate Word
- **Where did you grow up?** San Antonio
- **What brought you to San Antonio?** We moved from a military post in Alabama to San Antonio when my mom re-married when I was five. My grandfather was a track laborer for Union Pacific. His job brought my step-dad's family here from St. Louis, MO when my step-dad was nine.
- **What has been your favorite SAYLA event?** My favorite event is the annual Cool Crest Mini Halloween "Spooktacular." Its so much fun for kids and a nice opportunity to get our families together.
- **Why vote for you?** I think I would make a great addition to the SAYLA Board because I have a history of serving our community through various local organizations (St. Mary's School of Law - GOLD Council, the Founder's Council, Musical Bridges Around the World, etc.) and a background in event planning that could be put to use helping organize SAYLA's various events.
- **Favorite San Antonio restaurant?** My favorite restaurant is Bilia Eatery on NW Military Hwy. It was founded by a really awesome husband/wife chef duo. They make the best Cubano sandwich!
