I grew up in Pharr, Texas.

Moved to San Antonio, Texas in August 2018 for work.

My favorite SAYLA event is the 2022 Judicial Jamboree.

My favorite San Antonio restaurant is El Bucanero. Their Mexican seafood is the best.

Why you should vote for me: I served on as a SAYLA Director from 2021 to 2023, and I greatly enjoyed the opportunity to serve our young legal community and the community at large. After two years as a SAYLA director, I feel like I have established a solid foundation with my peers and SAYLA membership. I truly enjoyed attending the CLEs, mixers, being part of the Judicial Jamboree committees and participating in Scramble. I believe that participating in SAYLA has helped me grow both personally and professionally. I would appreciate the opportunity to continue serving SAYLA by becoming the treasurer elect of the executive board for the 2023-2024 year.
