

My name is Alex Dominguez. I am an injury attorney on the Plaintiff's side and have been licensed for almost 5 years. I graduated from St. Mary's in 2019 and have been an active member in SAYLA since being licensed.

I currently serve as the treasurer of St. Mary's Hispanic Law Alumni and look forward to joining the SAYLA board. I enjoy meeting fellow young lawyers at all of the great SAYLA Events and welcome the opportunity to become further involved.
