Involvement: I've been an active SAYLA member since I was a law school member. Over the years, I've enjoyed the professional and personal friendships that have been developed. For the past three years, I've served as the Treasurer for the Mexican American Bar Association of San Antonio and am a member of other local and regional organizations, including the San Antonio Black Lawyers Association, the Texas Association of Defense Counsel, and the Federal Bar Association.

Why: As a longstanding SAYLA member, I've developed a great deal of respect and admiration for this organization. As such, I care about the course and direction of SAYLA and I believe that I can help the organization achieve its goals as a board member.
