Hello, my name is Gabriel Narvaez, and I am a personal injury attorney and partner at the Hill Law Firm. I've been practicing for two and a half years and graduated from St. Mary's University School of Law in 2021. I am an Aggie, so please don't let that dissuade you from voting for me. I currently serve as a board of director for the San Antonio Trial Lawyers Association. I have been involved in a few SAYLA events over the past year. Admittedly, I could be more involved, and I plan to be more involved this year. I believe a vote for me allows us (SAYLA) to get closer to our community and other young lawyers, especially those in SATLA because I plan on informing members of SATLA and SAYLA about opportunities each organization is hosting, especially those related to charitable organizations and helping our community. Thank you for considering me for a position on this board.
