

Name: Nikki Vega
Employer: Prichard Young LLP
Year Licensed: 2019

I was born and raised in the Rio Grande Valley and moved to San Antonio for law school, graduating from St. Mary's in 2019. For the past three years, I've worked at a boutique litigation firm where my practice focuses primarily on commercial litigation matters, including business disputes and products liability, as well as property and personal injury matters.

San Antonio is now the place I call home! I love this city, its culture, and the people, especially all the friends I've made over the past eight years. SAYLA has played a huge role in that! After many of my close law school friends moved away, and I found myself working primarily with much more experienced, not so similarly situated attorneys, I actively started participating in SAYLA. I've been a member of SAYLA since 2020 and currently serve on the Board of Directors. Because of SAYLA, I now have a network of peers who share many of the same trials and tribulations that come with being a "young lawyer" and that I can go to for advice – many of whom I now consider good friends!

I've had the opportunity to see the growth of SAYLA, first-hand, over the past few years. I've actively served on the committees for the two biggest annual events hosted by SAYLA: the Judicial Jamboree and the SAYLA Golf Scramble. The turnout at both of these events for the 2023-2024 year was unprecedented, with the Scramble raising a record number of funds to help support the San Antonio Young Lawyers Foundation and the San Antonio Legal Services Association. I've heard various experienced attorneys and members of the judiciary repeatedly comment on the camaraderie, professionalism, and community involvement that SAYLA is helping to generate amongst the new generation of San Antonio lawyers. I love being a part of that, and I want to continue to help facilitate that by continuing to serve as a SAYLA Director and gain the knowledge and experience necessary to eventually earn a role on the SAYLA Executive Board. I would greatly appreciate your vote!

Sincerely,

A handwritten signature in blue ink, appearing to read "N. Vega". The signature is fluid and cursive, with a long horizontal stroke at the end.
